Landrum Hometown Christmas Parade and Stroll
Thursday, December 1, 2016 at 6:00 p.m.
Downtown Landrum
Rain or Shine

- Lineup begins at 5:00 p.m. - Landrum Depot (North Trade Avenue)
- Parade starts at 6pm
- Follow Trade Avenue
- Left onto Rutherford Street
- Route ends at Landrum Middle School parking lot. (This is a well-lit, safe location to meet your party for pickup.)

Due to time constraints and safety restrictions...

There will be no stopping during the parade.

All participants, especially children, must stay on board your vehicle until you reach the school parking lot.

Absolutely NO Throwing Candy or Other Items.

This is an evening event which poses many issues with confined spaces due to spectators on the roadway and parade participants that follow in progression. Children have the tendency to run towards the candy that falls on the road and are oblivious to the next unit following behind. If you have items to distribute you must have people walking along side your float to hand it out.

**Landrum Police, Fire, and Rescue will be on hand
to ensure your safety.**

**\$10 donation for each entry is suggested
and will go towards a Landrum Charity.**
